BOOM BOX BLAST

Starting NEW this Tuesday, March 19th & Thursday, March 21st | 3:30 p.m.

Picture this:

You drive into an apartment complex and begin to announce through your portable sound system that Sidewalk Sunday School is about to begin. Children begin gathering and following along, as you get ready for the program.

*You spend a few exciting minutes greeting each child and getting to know them. Music is playing, the children are excited and more people are coming to see what all of the excitement is about.

*You get the children organized, sitting on the ground, ready for the lesson that you have prepared. Prayer time, a few songs, games, then you settle in for the lesson.

*You share the truth from the Word of God and watch as the children begin to understand Godly principles. They respond when you invite them to pray to accept Jesus into their lives. What a wonderful opportunity for being able to pray with them and their families.

*You end the program by distributing prizes and snacks, pack up your materials, and reluctantly leave, already anticipating returning the following week to do it again and see what God will do!!

**This is not fiction. This is the reality of what you can expect to experience, if you choose to become involved in this method of ministry.

Every Tuesday afternoon, we go out and minister at Sunset and Smith Keys Apartments. On Thursdays we go to Rose Hill Ridge, The Oaks & Pecan Ridge.
